

CORE TASKS AND SKILLS

§ Legal + Business practice

- / Advice on employment/labor and social-security legislation
(employment contracts, warnings, notices of termination, time limits, part-time work, works constitution law, etc.)
- / Out-of-court representation
- / Legal representation before the labour and social courts at all instances
- / Collective-bargaining policy and legislation
- / General workforce-related issues
(remuneration systems, working hours, health management, reintegration into the workplace, management systems, health and safety at work, demographics, etc.)
- / Business law
(contract law, commercial and sales law, corporate law, antitrust law, mergers and acquisitions, trademark law, etc.)
- / Data protection

🗨️ Communications + Events

- / Press relations
- / Production of content on the textile industry, including for social media
- / Campaigns
- / Events
- / Marketing
- / Trade shows

🌐 Skilled human resources + Markets

- / Advice and information
(vocational training, employee development, etc.)
- / Attracting and retaining specialists and executives
(campaigns to attract apprentices/trainees, education and training fairs, etc.)
- / GATEX training center
(programs for apprentices/trainees/cooperative university students, further skills development for employees, programs for unskilled textile workers, seminars, workshops, etc.)
- / Surveys and statistics
(market conditions for textiles and clothing in Baden-Württemberg, the textile labor market, Germany-wide statistics, data research for individual members, etc.)
- / Exports

🏭 Innovation + Sustainability

- / Environmental policy and chemicals regulations
(lobbying at state, national and EU level, advice, workshops, etc.)
- / Energy policy and supply
(advice on procurement and procurement pooling)
- / Manufacturing technology
- / Clothing labels
- / Customs
- / Material exchange platform

🌐 Lobbying + Networking

- / A powerful advocate for textile manufacturing in many arenas and forums
- / Main player behind the Baden-Württemberg Alliance of Fiber-Based Materials
- / Contacts with economic policymakers
- / Member of diverse umbrella and partner organizations
- / Representative of the textile industry within broader organizations
(Federal Employment Agency, universities, research institutes, etc.)
