SMART & SUSTAINABLE

ISRAEL - BADEN-WÜRTTEMBERG INNOVATION SUMMIT 2022

B2B-MEETINGS 27.04.2022
EVENT 28.04.2022 AT THE MAFINEX IN MANNHEIM

The **Consulate General of the State of Israel in Southern Germany, the Israeli Economic & Trade Mission Munich and the Ministry of Economic Affairs, Labour and Tourism Baden-Württemberg** invite you to join our bilateral Innovation Summit on smart & sustainable Technologies in Mannheim.

The **on-site event** provides a platform for information and personal exchange with innovative start-ups and corporates from Israel and Baden-Württemberg in key future industries.

Learn, share and engage with other participants on topics surrounding
- Clean-/GreenTech,
- sustainable AI-based industry applications and
- Sustainability 4.0.
